There process differed from ours in that they included blood feud as another instrument in regulating society and legal outcomes. Essentially, if you weren't interested in instituting "self-help" then the ultra-masculinized courts had little sympathy. This work also delves deeply into the everyday minutiae of pre-feudal society.

Peacemaking is a package dominated by the godliness of the person. Thus, Paul says in Galatians 6:1, "Brethren, if a man is overtaken in any trespass, you who are spiritual restore such a one in a spirit of gentleness, considering yourself lest you also be tempted." Peacemaking Through Living

The Beatitudes, Part 7: Blessed Are the Peacemakers

And yet the Icelanders developed a complex system of law, essentially codifying the blood feud (which tradition still governs dispute resolution in places like Afghanistan and rural Macedonia), according to which civil injustice could be roughly corrected. Their example has much to teach us about human nature unadulterated by the State.
