1) More Landing Pages Means More Conversion Opportunities .
Quite simply, the more landing pages you have on your website, the more opportunities you have to convert site visitors into leads. There's also a huge SEO benefit to having more landing pages, which can have an impact even before visitors land on your website. Think about it: The more ...

Why You (Yes, You) Need to Create More Landing Pages

As businesses become more data-driven, post-click landing pages become more popular for their ability to deliver high ROI. Research has shown that companies using 40 or more post-click landing pages generate 120% more leads than those using less than 5.. The interpretation of that data is simple: If you want more conversions, you need more post-click landing pages.

What is a Landing Page? The Complete Guide

Download Ebook Landing Page Success Guide How To Craft Your Very Own Lead Sucking Master Piece And Build Your Mailing List At Warp Speed!

A proper landing page is designed around a single goal, free of anything that could move users away from it. They can also reinforce the message of your initial advertisement. If visitors click a link and are taken directly to where they wanted to go, you're very likely to get a purchase or a sign-up out of them.

Landing Pages - The Ultimate Guide (Best Practices, Examples)

Your brand imagery is everything consumers see, taste, hear, smell, and feel about your business. Not surprisingly, a huge part of brand imagery is your logo and custom colors. When designing your landing page, choose your colors, design, and font carefully. Make sure they go seamlessly with your brand imagery.
