Newport Beach, CA (PRWEB) October 12, 2017 -- According to author Nick Leighton 25% of all businesses fail in the first year, and 55% fail in the first five years, but they are vital for our economy as the owners of small businesses in the U.S. account for 43% of all employment in the tech industry and 98% of U.S. exports. Leighton's book gives business owners a blueprint for success in ...
