Work With Your Child's Teacher . When parents work together with a child's teacher, it increases the chances that a child will be successful in school. Some children need modifications to their schoolwork, such as being allowed extra time on tests, to be successful. Behavior modifications may be necessary as well. Forcing a child with ADHD to stay in for recess may worsen behavior problems.

8 Discipline Strategies for Kids With ADHD

Because students with emotional and behavioral problems have a harder time staying motivated, keeping assignments short, or dividing larger projects into multiple short tasks can be very helpful. Make assignments "hands-on." Giving students a chance to do something in the real world helps keep them engaged.
